Thank you to all those who attended Saturday's applicant workshop to learn more about the Great Streets Challenge! A special thanks to Lauren Ballard who put the presentation together and Sarah Mercurio who helped with many of the graphics in our presentation.

We were thrilled by the questions during the workshop and by the excitement and ideas in the conversations that followed. As promised, see attached Great Streets Challenge Guide and a copy of the presentation we gave. We will be compiling all of the questions into a FAQ available [online](#) in the coming week. As always, feel free to reach out as you move through the application process.

And be sure to tell anyone who missed Saturday's workshop that we'll be hosting a webinar on Wednesday October 26th at 12:30. Details will follow upon RSVP.

Thanks
